

PRE-SCHOOL ACTIVITIES for 2009

We offer three choices of activity for pre-schools. All sessions last 10 minutes and cost £15 per group (maximum 30 children per group).

	<p>Meet a Tortoise</p> <p>Get up close with one of our large European tortoises. A Wildwood tutor will feed the tortoise and give a short talk about it. There will be opportunities for the children to ask questions and they will also be allowed to touch the tortoise on its shell only (under supervision). Sorry, visitors cannot feed the animals. Takes place outdoors (under shelter if wet).</p> <p>Please note that tortoises are cold-blooded and hibernate through the winter and so are not available October-April.</p>
	<p>Meet a Deer</p> <p>See our herd of fallow deer being fed. A Wildwood tutor will feed the deer and give a short talk about them. There will be opportunities for the children to ask questions. The deer will be inside their enclosure and the children will be outside on the public path so there is no opportunity to touch the deer. Sorry, visitors cannot feed the animals. Takes place outdoors.</p>
	<p>Meet an Owl</p> <p>Get up close with one of our hand-reared owls. A Wildwood tutor will hold the owl and give a short talk about it. There will be opportunities for the children to ask questions. The children will see the owl at close quarters but there is no opportunity to touch the owl. Owls feed at night and so this session does not include seeing the owl being fed. Takes place outdoors (under shelter if wet).</p>
