Gift Aid - Make The Tax you already pay work for Wildwood

By making a donation through our animal adoption scheme you will be making a contribution to Wildwood's projects to save native British Wildlife via the Gift Aid scheme and as such must commit to keep your adoption for over 12 months.

Please remember to  when you give

The Government scheme adds tax relief to your donations. For every £1 you give today the Government will add 28p from your taxes. It doesn't cost you a penny and when you tick this box today all of your gifts in future will also be topped up with Gift Aid.

YES,

"Please treat all my donations from 6th April 2000 and until further notice as Gift Aid."

I confirm I pay an amount of income tax and/or capital gains tax at least equal to the tax that Wildwood Trust will reclaim on my donations in the tax year.

Get nose to nose with nature here at Wildwood as you meet animals from the British countryside in their most natural of settings, an ancient woodland that dates back to the Domesday Book.

Hear a pack of wolves send their wavering howl through the trees as they would have done 1,000 years ago, or a red deer stag deeply bellowing his challenge, the bubbling call of the pool frog, a tawny owl hooting to claim his territory and the snorting and snuffling of wild boar as they root through the woodland floor.

Animals need constant attention, especially during cold seasons. Fresh food, water and bedding are essential, as is cleaning and general maintenance and enrichment of the enclosures. The animal staff keep a vigilant eye on all the animals for signs of change, anything from birth to illness must be logged. Your money will ensure the highest quality care is maintained at Wildwood. This in turn ensures that the animal's life here is as natural and undisturbed as possible.
